## REPORT TO THE TOWN OF ABINGTON

During the program year ending September 30, 2008 Self Help, Inc., received a total funding of approximately \$22M and provided direct services to 32,989 limited income households in the area.

In the TOWN OF ABINGTON Self Help, Inc. provided services totaling \$383,347 to 566 households during program year 2008.

Self Help's total funding of \$22,163,958 does not tell the real value of services delivered to the area as a whole. This funding enabled us to mobilize an additional \$2,806,153 of other community resources such as, volunteers, donations of space, and private donations in the form of goods and services. Therefore, the total impact of Self Help, Inc., during the past program year was \$24,970,111.

In addition, Self Help currently employs 250 individuals. Many of these individuals are of limited income, and most reside in our service area.

We feel that October 1, 2007 through September 30, 2008 was a successful program year for us because we were able to assist as many individuals and/or families as we did, regardless of the challenges of being a human service provider.

We thank the Town of Abington and its representatives to our board, Ms. Lorraine Simon and Ms. Janet Johnson, and all the volunteers for helping us to make fiscal year 2008 a successful one.

Respectfully submitted,

  
Norma Wang  
Human Resource Director
