

## Concerned Citizens Task Force Formed in Abington

In light of the recent economic downturn and its financial impact on the town of Abington, a group of concerned citizens has formed a committee to help steer the town toward financially stable ground. The Concerned Citizens Task Force will be working to identify cost cutting measures, exploring additional revenue sources, and researching towns with similar demographics in an effort to achieve this goal. We are currently seeking additional members. If you would like to get involved, please attend our next meeting, which will be held on Tuesday, January 12, 2010 at 7:00 p.m. at the Abington Town Hall.
