Cara Filler

Road Sensibility: It's more than Common Sense!
Straight talk about teens, cars and safety. A **FREE** program
for Parents/Guardians and High School Students.

Tuesday, April 6, 7-8:30 p.m. at Hingham Town Hall

Speaker Cara Filler is a compelling author, entrepreneur and speaker, who is committed to helping others put life and its challenges in perspective. Cara encourages students to step up and realize they own the Power of Choice. Her dynamic presentation is full of entertaining and powerful messages for all. Her life impacting message has established Cara as a world-class speaker amongst youth and adults alike. She has become one of the most admired and sought after female inspirational speakers in her field

Teens will:

- Be encouraged to stand up for themselves and their friends, and not allow others to put them at risk.
- Learn to make better life changing decisions.

Adults will:

- Learn how to teach decision making and traffic safety and have a positive lasting impact on your teen.
- How to "keep them safe" so you never get 'the call' in the middle of the night.

Program cosponsored by the Plymouth County District Attorney's Office and Youth Health Connection a community benefits program of South Shore Hospital.

Program supported by the Hingham Police Department.
