September 2008

Dear Friends;

In an effort to honor our brave men and women who are fighting this Global War on Terrorism we are asking for your help to engrave their names on the All War Memorial Monument (between the Legion & Frolio School).

In keeping with the tradition of honoring those brave men and women who have served in previous wars, we would like to engrave the names of those currently serving our Country from Abington to the wall. We will also be engraving the names of those Veterans that were omitted from the previous wars.

Every endeavor of this nature requires funding. Therefore, we are asking for your help to engrave the names.

We are selling bricks that will be installed around the perimeter of the existing courtyard in front of the wall. The basic brick prices are \$100.00 for a 4" X 8" brick or \$125.00 for a 8" X 8" brick. An order form is attached for your convenience.

We thank you for your generosity and your support in honoring the men and women of Abington who are serving in this Global War on Terrorism.

For more information please contact Roger Woods at rogerwoods@aol.com or Liz Shea at lshea@abingtonmass.com or Joe Colantoni at 781-982-0056.
